

**Thursday, May 14, 2020      2nd Grade      Ms. Vicki**

Please have your student take the test today or tomorrow.

1. Thursday
2. learn
3. birthday
4. early
5. purple
6. third
7. pitcher
8. creature
9. picture
10. earth
11. world
12. first

**1st Language Arts :**Write sight words on index cards or slips of paper. Then, get 3 bowls or pots out of your kitchen cabinet. Hide a sight word card underneath one and switch them all around. Have your child guess where the sight word is. Once they find it, have them read the word. Then, repeat!

**2nd Reading/Writing: Poetry-** please read the poem, “**Animal Voices**” from packet #6 out loud and silently. Please work on the questions, vocabulary and write about an animal that was not in the poem. You can write a poem or a story about the animal you choose. Here is a list you can select from: cougar, penguin, elephant, alligator, turtle, fish, bunny, lizard, koala, rooster, camel, lion, zebra, giraffe, polar bear, seal, spider, deer. Give your story a title, add your name, and write a factual story about your animal and why you chose it.

**3rd: Music:** Have fun learning about Mozart-classical music. Enjoy.

**4th: PE: Hey kids --do the robot dance for exercise:**

**<https://www.youtube.com/watch?v=B-ulfVFtFBs>**

**5th: Social Studies: Please read with your child.**

Federal Government-(federal means having agreed to join together) So the federal government serves fifty states.

Congress: the part of government that writes and votes on laws for all of our states.

President: the leader of our country.

The government in our country works for all of the people in the country.

They follow a plan that was written long ago. This plan of government is called the United States **Constitution**.

The United States government has 3 parts. One part is Congress.

Congress: writes and votes on laws for all of our states.

Citizens from each state elect leaders to be in Congress. These leaders are called lawmakers because they make the laws.

Congress has two bodies: the Senate and the House of Representatives.

Do you remember the Capital of the United States? Washington D.C.

Please watch the videos below:

Local and State

Governments:<https://jr.brainpop.com/socialstudies/government/localandstategovernments/>

Branches of Government:

**6th: Math:** Lesson 8.1- 8.2 Inches and measurement. You will need a ruler or tape measure for measurement. Please ask your parents for help. Look at the color tile. Each color tile(box) is 1 inch long. The whole color tile is 4 inches long. Use this color tile to help you.

**Model and Draw**

A color tile is about 1 **inch** long.

About how many inches long is this string?

The string is 4 color tiles long.

So, the string is about 4 inches long.

Look at problem #1 on pg. 390 of packet #5.

1. If we measure this blue tape it is about 3 inches.
2. How long is the red string? 5 inches.
3. How long is the next object? 2            inches.
4. How long is the blue and white tape?          4 inches.

Please do the problems on pg. 391 on your own. #5-10 and pg. 392 # 11-14. Use the color tile or a ruler. Do workbook pgs. 183-184.

Please keep this packet for Monday. We will finish it on Monday.

**7th SuperKids: Simile-** is a figure of speech comparing two things that are not alike. Similes use the words like or as. Examples: "She is like a red, red, rose." (pretty as a flower) "Your heart is like gold." (that means he/she is very giving and caring) "He eats like a pig." (means he eats a lot) He is as playful as a kitten." (loves to play like kittens)

In packet #6 please find the poem, "Similes." Please read the poem out loud and silently. Then answer the questions. See how many similes you can write.

Also, look at the worksheet with the snail on it called, "Some Super Similes." This is in packet #6. Let's do #1 and 2 and 3 together.

1.       f. As sweet as...sugar
2.       j. As old as the ....hills
3.       i As big as ....a giant

- See you at our zoom meeting on Friday!
