

Week of March 30th

Monday 3/30:

Religion: **ONGOING ALL WEEK** - To review the creation of the World please watch the video below and have the kids draw 1 picture on a white piece of paper for each day of creations.

Writing: We are on the last 10 sight words from the kindergarten list. Remember, sentences should start with a capital letter and end with some type of punctuation. A period, exclamation or question mark. (EX: Do you like it?) Remember you can't use mine.

Math: Chapter 10 will be sent VIA email. If you are unable to print it for the homework drop off day, just take a picture of the test completed and email it to me -

There are some shape assignments in iknowit.com I have been watching the kids assignments when they are completed. Keep up the great work! The scores look great. If by chance the score is lower than 80%, it will reassign the skill again. Any questions please let me know.

Phonics:

I am attaching a page of nonsense words. This is a great page for the kids to practice reading. They are words that they have to sound out. They aren't going to make sense but they can be sounded out.

Social Studies: in SS, we have covered the weather, since we are in Spring, and having some strange weather, please complete this calendar by marking the date, and either a symbol, a word or whatever they would like to use to keep track of the weather for that day. Calendar is attached below.

ABCmouse is a great website for practice. It is also free during this time.

RAZZ kids is a great reading website and is also free for the rest of the year.
