

Week of March 30th

Tuesday 3/31: REMEMBER ALL WORK WILL BE COLLECTED

Religion: ONGOING ALL WEEK - To review the creation of the World please watch the video below and have the kids draw 1 picture on a white piece of paper for each day of creations.

Writing: We are now on the first 10 sight words from the 1st grade list. Remember, sentences should start with a capital letter and end with some type of punctuation. A period, exclamation or question mark. (EX: Do you like it?) Remember you can't use mine.

Math: We will be starting Chapter 11 on Wednesday, this will be included in the packet pickup. Today, I would like the kids to pick 2 numbers from the Math Flowers packet and complete the activity. They need to outline and color the leaves. I will attach the pattern to the email. I will also include a copy in the Wednesday packet for those unable to print. There are two math pages in the homework email.

There are assignments in iknowit.com. I have been watching the kids' assignments when they are completed. Keep up the great work! The scores look great. If by chance the score is lower than 80%, it will reassign the skill again. Any questions please let me know.

Phonics:

I am attaching a page of nonsense words. This is a great page for the kids to practice reading. They are words that they have to sound out. They aren't going to make sense but they can be sounded out.

January

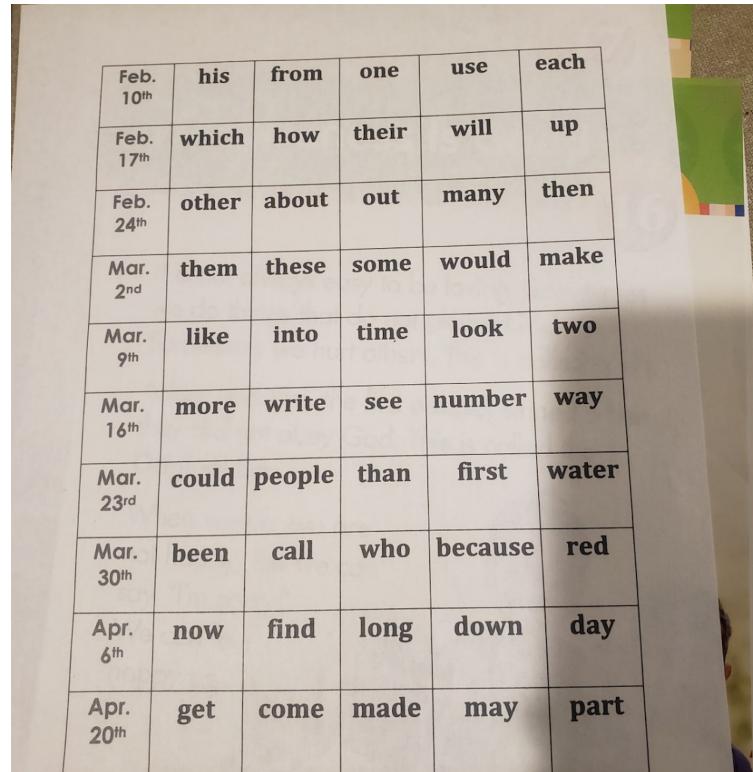

Read the nonsense words.

Reading - Assignment will be sent via email - Lexia #2 worksheets

Social Studies: in SS, we have covered the weather, since we are in Spring, and having some strange weather, please complete this calendar by marking the date, and either a symbol, a word or whatever they would like to use to keep track of the weather for that day. Calendar is attached below. I will include the April calendar in the Wednesday packet.

ABCmouse is a great website for practice. It is also free during this time.

RAZZ kids is a great reading website and is also free for the rest of the year.
