# Morning Announcements

Good morning! Today we are going to Zoom for WW at 1:30. Don't forget to turn in your reading log and all your other work for today!

This week is Holy Week, so we will have lessons until Wednesday. Holy Thursday was supposed to be a half day, so I will have some optional lessons for Thursday, and then there will be no lessons for Good Friday. Next week is spring break so there will be no work!

# Reader's Workshop

Today, we will create an updated research plan based on your four questions. You will need your four questions with you in order to do this, so please do that first. Then think about, which question would you want to research more? For example, one of my questions was “Who are the scientists and historians looking for Atlantis? Are they respected or made fun of?”

Since this question interests me the most, I'm going to make a research plan to just research this question. Here's my research plan:

Also, don't forget to turn in your reading log in the Google Forms!

# Writer's Workshop

We will be Zooming for Writer's Workshop today at 1:30. Here is the Zoom link:

# Vocab/Spelling

Please take your vocab quiz and submit it to Google Forms. Tomorrow, I will give you your spelling words, and we will work on those for the rest of the week. We will not have vocab words this week.

# Math

Today I'd like you to complete the Mid-Chapter Checkpoint on pg. Of the big math book. I will not be helping you with this assignment, because I want to see what you're able to complete on your own. When I grade this assignment, I can provide you with help with the lessons you are having trouble with. Don't forget that you can look back in your book for help!

# Science

Science this week will be Tuesday (4/7) Wednesday (4/8) and Thursday (4/9).

# Computer

Subject: Computers (Recycling paper)

Learning Objective: Students will learn about recycling and Earth Day 2020.

Activity/Directions: Students will type a one-page paper about recycling and Earth Day.

Students can use <https://www.earthday.org/earth-day-2020> as a reference.

You may do them at any point this week.

Submit your work.
