

Dear Parents,

Thank you for your cooperation and supporting your child with these tasks for today. Please note that you will not need to print anything out. Today will be a “catch up day”, in order for students to get work done that was assigned to them previously. This is also our “day of service” where students should have a picture or video of their service day task. Any pictures or videos can be sent to me. One thing that the students can do is write a note/letter to a friend- they are even welcome to send one to me! I have included my address at the bottom.

I will also be having a zoom meeting for parents at noon- you are able to ask any questions that you may have. Below are the details of the zoom meeting.

Farah Tahmassebi is inviting you to a scheduled Zoom meeting.
